Dear Kerry

I am pleased to advise that the Public School Review of Hudson Park Primary School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

Your school performance rating determined through your self-assessment submission and validated by the review team is 'Effective'. I acknowledge the efforts of you and your staff in creating the conditions for successful students.

Of special note is the work that the leadership team put into preparing for the review. I acknowledge, and thank, Heather for delaying her retirement until after the review had occurred. I trust that the process of preparing for the review, and the findings contained within the review report, has enhanced Principal transition processes.

The areas your school and the review team validated as being effective and those for which ongoing improvement is planned are noted.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely

Stephen Baxter
